

THANK YOU, Volunteers! Without your help, the Willamette Valley Relay would not be a success. We thank you for the time you spent in making the relay a safe and fun event! We want to also thank our motorcycle volunteers! They truly added to the event this year, monitoring the course during the evening hours to ensure the safety of our walkers.

Steve Baton, John Griffiths, Lana Ingham, Ken Morse, Paul Reyes

The Intel Motorcycle Club (IMC) also provided safety and support to the walkers throughout the evening:

Jamie Geer, Arland Kunz, Chuck Taylor, and Craig Merrick monitored the course to ensure safety for all participants and volunteers.

“Having the motorcyclists on the course was the best addition to the event, they were awesome” stated one participant. “The experience could be summed up in one word... the problem is picking the correct word... humbling, inspiring, and incredible all come to mind. The support and encouragement these people receive from friends and family as they walk miles upon miles, hour after hour is just astonishing” says Chuck Taylor.

About the Intel Motorcycle Club (IMC):

IMC started in July 2002, has 173 members and often participates in a number of local events, like the upcoming “Ride for Kids.”
